Hunting Permit Rules and Restrictions

- The Permittee is allowed to hunt from a floating blind within 500 yards of CBNERRVA stationary blinds _____.
- Only one floating blind is allowed within 500 yards of a CBNERRVA permitted blind. Hunting privilege will be based on a first come, first serve basis. Floating blinds do not need to be located immediately adjacent to CBNERRVA blind, however, they should be in the general vicinity and not interfere with hunters in adjacent blind areas.
- NO hunting will be allowed within 500 yards of CBNERRVA permitted blinds on Mondays and Wednesdays.
- This permit covers the Permittee and up to two guests hunting within the same floating blind.
- CBNERRVA retains the right to stop hunting activities within 500 yards of any CBNERRVA licensed blinds if hunting activities are deemed to interfere with ongoing research, monitoring, restoration and/or education activities. You will be contacted (using contact information above) if this situation should arise.
- This permit only pertains to waterfowl hunting beginning November 1, 2009 to January 30th, 2010. No other waterfowl hunting seasons are permitted on Goodwin Islands.
- A copy of this permit must be made available upon request by Law Enforcement Personnel and representatives of CBNERRVA.

I, the undersigned, have read, understand, and agree to abide by the above hunting permit rules and restrictions.
