Brian Tsukimura, California State University, USA

Christopher Tudge, Smithsonian Institution and American University, Washington, USA

Regina Wetzer, Natural History Museum, Los Angeles, USA

Jianhai Xiang, Institute of Oceanology, CAS, China

Scientific Topics

1. Taxonomy and Phylogeny
2. Biogeography
3. Biodiversity and Population Genetics
4. Ecophysiology
5. Behavior
6. Ecology and Endocrinology
7. Invasive Crustaceans
8. Effect of Human Exploitation on Decapod Resources
9. Crustacean Response to Global Climate Change
10. Larval Biology
11. Fisheries and Aquaculture
12. Crustacean Diseases with Commercial Significance
13. Genetics, Genomics and Proteomics
14. Others

Organizing Committee

Honorary Chairperson: Ruiyu Liu (J. Y. Liu)

Institute of Oceanology, CAS, Qingdao, China

Chairperson: Jianhai Xiang

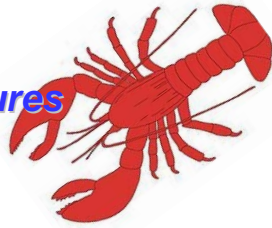

Institute of Oceanology, CAS, Qingdao, China

Secretariat: Xinzheng Li, Fuhua Li, Junying Ma

Welcome
scientific colleagues all over
the world to attend the ICC7!

Plenary Lectures

Crustacean Invasions

Dr. James T. Carlton
Williams College, USA

The Progress on Molecular Systematic Research of Crustacean

Dr. Darryl L. Felder
University of Louisiana, USA

Advances in Crustacean Paleobiology

Dr. Frederick R. Schram
Burke Museum, University of Washington, USA

The Physiology and Endocrinology Research Progress of Crustacean

Dr. Amir Sagi
Ben Gurion University, Israel

The response of marine Crustacea to Global Climate Change: an evolutionary perspective

Dr. Sven Thatje
National Oceanography Centre, University of Southampton, UK

Crustacean Studies in China

Dr. Ruiyu Liu (J. Y. Liu)
Institute of Oceanology, Chinese Academy of Sciences, China

The Genomic Study on Crustacean

Dr. Jennifer E. Buhay
Brigham Young University, USA

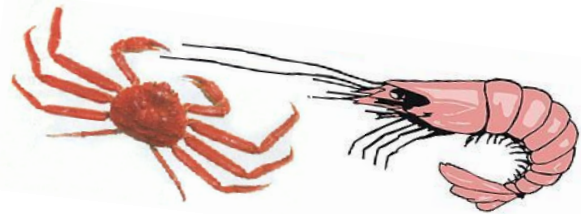

Shrimp Culture and Disease Control in China

Dr. Jianhai Xiang
Institute of Oceanology, Chinese Academy of Sciences, China

Type of registration	Register by March 15, 2010	Register between March 16 to April 15, 2010	Register after April 15, 2010
Association member rate	US\$ 370	US\$ 450	US\$ 530
Students member rate (Include copy of Student I.D.)	US\$ 210	US\$ 250	US\$ 290
Non member rate	US\$ 420	US\$ 500	US\$ 580
Students Non-member rate (Include copy of Student I.D.)	US\$ 240	US\$ 280	US\$ 320
Accompanying person	US\$ 150	US\$ 180	US\$ 210
Gala dinner	Students US\$ 40, others US\$ 50		

Association members include The Crustacean Society (TCS) members and Chinese Crustacean Society (CCS) members. Registration rate contains meeting pass for all the Symposia and Sessions, Welcome Reception, Meeting Program with abstracts of all presentations, refreshment breaks and lunch for congress days. There will be a wonderful performance during the Gala dinner.

Symposia

1. Decapod Phylogeny and Systematics

organizer: Prof. K. H. Chu

2. Symbiotic Crustaceans: Diversity, Ecology and Evolution

organizers: Dr. V. N. Ivanenko and Prof. T. Britayev

More symposia are welcome!
