Anglers—Be on the lookout for tags in fish you catch. Check both sides of fish near base of top fin.

Some fish may have 2 different tags—tags can work out of a fish’s muscle so tag retention studies may be underway. Important to report if fish has 2 tags.

Report recaptures of tagged fish to 757-491-5160 in Virginia Beach (VA Saltwater Fishing Tournament office). Rewards available (caps, T-shirts, tackle boxes, etc.).
